

Your Free 1 Year Termite Warranty

If Subterranean Termites are discovered within 1 YEAR of the inspection, *Checklist Inspections* will have an **Area Treatment** performed for **FREE**.

Call our partner 520 Termite at **623-215-6741** and tell them the date the termite and home inspection was performed to schedule a time for an **Area Treatment**.

520 Termite can also help with whole home termite treatments and termite treatments after your 1 YEAR Warranty.

They can also help with your ongoing general pest control needs!

****This is an Area Treatment of the location where termites were found, NOT a full property treatment****
